**STILE METROPOLITANO,
VIBRAZIONI METALLICHE**
Metropolitan style, steel vibrations

inSide reinterpreta le superfici metalliche ossidate fondendole con la praticità del grès. Ambienti metropolitani e industriali vengono attraversati da vibrazioni domestiche, calde e accoglienti.

inSide reinterprets oxidized metal surfaces by blending them with the practicality of stoneware. Metropolitan and industrial environments are crossed by domestic, warm and welcoming vibrations.
